## **ENGINEER'S LETTER**

**WHEREAS**, The Board of Supervisors of the City and County of San Francisco previously formed the Union Square Business Improvement District in 1999 pursuant to the Property and Business Improvement District Law of 1994 (the "1994 Act") with a term of five years. The Union Square Business Improvement District was reauthorized in 2004 for an additional five year term, expiring June 30, 2009.

**WHEREAS**, pursuant to the 1994 Act, augmented by Article 15 of the Business and Tax Regulations Code of the City and County of San Francisco Municipal Code it is proposed that the expanded Greater Union Square Community Benefit District be reauthorized for a term of ten years, commencing July 1, 2009.

**NOW THEREFORE**, the following assessment is made to cover the portion of the estimated costs of services and activities to be paid by the assessable real property within the Greater Union Square Community Benefit District in proportion to the special benefit received:

### **FISCAL YEAR 2009/10 SUMMARY OF ASSESSMENT**

<b>Total Estimated Annual Costs:</b>	<b>\$3,070,891</b>
<b>Maximum Assessment Amounts:</b>	
Clean and Safe per Linear Street Foot	\$70.58
Clean and Safe per Lot Square Foot (1)	3.55
Marketing and Advocacy per Non-Residential Assessor's Parcel	
Category 1 Property	\$75.00
Category 2 Property	150.00
Category 3 Property	500.00
Category 4 Property	1,000.00
Category 5 Property	1,250.00
Category 6 Property	5,000.00

(1) The Clean and Safe per Lot Square Foot charge is applicable to the Hallidie Plaza Parcels only.

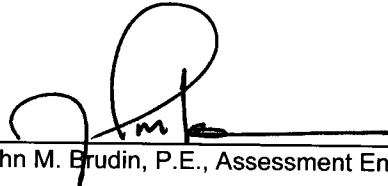

In making the assessments contained herein pursuant to Proposition 218, the "Right to Vote on Taxes Act" approved by California voters in 1996, which added Articles XIIC and XIID to the California State Constitution (the "Assessment Law"):

1. I identified all parcels (the "Specially Benefited Parcels") which will have a special benefit conferred upon them from the improvements described in this Engineer's Report. For particulars as to the identification of said parcels, reference is made to the Assessment Diagram, a copy of which is on file in the office of the Clerk of the Board.
2. I have assessed the costs and expenses of the services upon the Specially Benefited Parcels. In making such assessment:
  - a. The proportionate special benefit derived from the services and activities by each Specially Benefited Parcel was determined in relationship to the entirety of the costs of those services and activities;

- b. No assessment has been imposed on any Specially Benefited Parcel which exceeds the reasonable cost of the proportional special benefit conferred on such parcel from the services and activities; and
- c. The general benefits from the services and activities have been separated from the special benefits and only special benefits have been assessed.

I, the undersigned, respectfully submit the enclosed Engineer's Report and, to the best of my knowledge, information and belief, the Engineer's Report and assessments herein have been prepared and computed in accordance with the order of the Board of Supervisors of the City and County of San Francisco and the Assessment Law.

  
John M. Brudin, P.E., Assessment Engineer

## **INTRODUCTION**

This Engineer's Report has been prepared to support the proposed reauthorization of the existing Union Square Business Improvement District ("Union Square BID") within the Union Square area of the City and County of San Francisco (the "City"). The reauthorized district will also incorporate additional properties adjacent to the existing Union Square BID boundaries. This expanded business improvement district will continue to provide the maintenance and public safety services that are currently provided in the existing Union Square BID. If reauthorized, assessments will be levied annually against real property, for a term of ten years, within the boundaries of the expanded district.

### **Official Name Designation**

---

The proposed expanded business improvement district is being named the Greater Union Square Business Improvement District (the "Greater Union Square BID").

### **Type of Business Improvement District**

---

The Greater Union Square BID is being reauthorized pursuant to the Property and Business Improvement District Law of 1994 (the 1994 Act), as augmented by Article 15 of the Business and Tax Regulations Code of the City and County of San Francisco Municipal Code ("Article 15").

### **District Boundaries**

---

The Greater Union Square BID consists of approximately 27 whole or partial blocks surrounding the Union Square area. The Greater Union Square BID is bounded on the north by Bush Street, on the east by Kearny Street, on the south by Market Street, and on the west by a varying boundary including Mason, Jones, and Taylor Streets.

An assessment diagram that more fully details the boundaries of the Greater Union Square BID and identifies each parcel within the district can be found under Appendix A of this Engineer's Report.

## ***DESCRIPTION OF SERVICES AND ACTIVITIES***

### **Services and Activities**

---

Under the leadership of the non-profit Operating Board of Directors (the “Board”), the prior Union Square BID implemented two principal programs since the formation in 1999. The two principal programs implemented were the Cleaning and Maintenance Program and the Public Safety Program. As a direct result of these program services, the Union Square environment demonstrated real improvement in the cleanliness and safety of the area.

Recognizing the value of these programs’ impact and the need for ongoing and increasing improvement, the Board has elected to continue these programs in the Greater Union Square BID. In addition, recognizing the challenges inherent in an urban business setting, the Board concluded that the addition of new services would be important in maintaining the awareness of the unique business environment – especially during a severe economic downturn. Thus, the Board has proposed to expand the Greater Union Square BID services to include programs for marketing and promotion, advocacy, beautification, and capital improvements. This expanded package of services is intended to ensure both the continuity of existing services as well as new initiatives designed to promote both stability and growth within the retail and business community.

### **Enhanced Service Plan for the Greater Union Square BID**

---

The service priorities that the district stakeholders support are the two existing programs for maintenance and public safety; they also support the addition of services for marketing, advocacy, beautification, and capital improvements. The existing programs are outlined below.

#### **Cleaning and Maintenance Program**

##### Objectives

The Greater Union Square BID will continue to supplement those services provided by the Department of Public Works through a comprehensive program that will ensure maximum possible cleanliness of sidewalks, curbs, street fixtures and buildings within the district boundaries. Through the utilization of teams of daily workers and other managed programs, the Clean and Maintenance program is designed to strive for litter-free sidewalks that are absent of graffiti or other signs of decay. The goal is for property owners, merchants and residents alike to maintain pride in the area and for important perceptions of cleanliness and increased safety to contribute to an aesthetically pleasing and vibrant community.

##### Service Outline

The Greater Union Square BID’s managed programs include continuous daily sidewalk sweeping, refuse removal, gum removal, regular steam cleaning, pressure washing on an as needed basis, systematic graffiti removal, and a paint crew. The Greater Union Square BID will be cleaned by a team of maintenance workers, seven days per week, from 6:00 a.m. until 9:00 p.m. In addition, project crews, working 5 days per week, will target problem areas, remove graffiti where appropriate, and undertake painting projects. Maintenance supervisors will continue the campaign of graffiti removal, through direct contact with individual property owners, to supplement the City’s general graffiti program.

The Greater Union Square BID office will maintain a hotline enabling community members to report problems and request service or actions that support of the Cleaning and Maintenance Program. The hotline will also be supplemented by the addition of new technology solutions that will provide enhanced communication between the community and the Greater Union Square BID dispatch center. A digitally enhanced daily activity report system will allow for such options as sending text

messages and photos of problem conditions directly to the dispatch center. The expanded range of communication options will allow problems and service requests to be more efficiently addressed.

#### Operations and Strategy

The Greater Union Square BID's maintenance program will continue to operate from a central facility within close proximity of the district. Maintenance workers will be assigned to patrol sectors that will ensure equal coverage throughout the Greater Union Square BID boundaries. In addition to regular patrols, the supervisor will review the daily activity report from the central office and then coordinate requests within the current schedule to provide rapid response based on the priority of each problem reported.

In order to provide a clear and distinct identity and image to the Greater Union Square BID, maintenance workers will continue to be issued colorful uniforms that include the Greater Union Square BID logo.

### **Public Safety Program**

#### Objectives

The Greater Union Square BID views the goal of the public safety efforts as producing an environment in which property owners, merchants and residents feel comfortable and secure. A key objective of the Greater Union Square BID is to improve the quality of life for property owners, businesses and residents within the district, as well as continually improve the experience of visitors by providing a safe and welcoming presence throughout the area.

#### Community Service Ambassadors

The Greater Union Square BID's team of Community Service Ambassadors ("CSAs") provides a key element of the Public Safety Program's success. The CSAs primary function is to assist the public with information and to direct them to destinations within the Greater Union Square BID, by drawing on their extensive knowledge of local geography, district businesses, transportation systems, and other useful information. They are provided with hand held GPS devices that are useful in directing people to destinations. CSAs serve as good will ambassadors that assist the public in navigating the Greater Union Square BID with a welcoming and informed presence.

CSAs also play an important role in promoting the Greater Union Square BID as a safe and friendly environment. The CSAs are identified by their bright and colorful uniforms which make them easily visible and recognizable. The CSAs presence serves as a deterrent to misdemeanor crime. In addition, they carry hand held radios that enable them to report conditions or observations of criminal activity immediately through dispatch to the San Francisco Police Department ("SFPD").

The CSAs perform a valuable function by contributing to the Greater Union Square BID public safety through their important role of interfacing with SFPD. They receive extensive training in understanding the laws governing quality of life offenses and public nuisances, as well as procedural guidelines essential to their relationship with the SFPD. CSAs and the Greater Union Square BID's dispatch work diligently to employ excellent communication procedures that enable prompt response from the SFPD when an incident occurs.

The Greater Union Square BID will be organized into sectors, as was the case with the original Union Square BID. Each sector will be monitored by its own CSAs seven days a week; from 9:00 a.m. until 10:00 p.m. five days per week and 10:00 a.m. until 10:00 p.m. on Saturday and Sunday. Consistent assignment of the same CSAs to the same sector is effective in maximizing relationship-building with the property owners, merchants and residents in the area and supports the relevant knowledge base each CSA brings to their role.

The CSA program goals can be summarized as follows:

- Public awareness and “crime watch”-style programs to involve property owners, merchants, residents, and citizens.
- Reduction of criminal activities, public intoxication, and public nuisance crimes through the persuasive efforts of the CSAs and the coordinated enforcement back-up provided by SFPD.
- Continuing development of relationships between CSAs and each sector’s merchants, greeting them regularly and offering assistance.
- Continued development of strong, supportive relationships between CSAs and SFPD officers.
- Continued maintenance of a centralized database used for monitoring progress and allocating resources.
- Ongoing assistance to the homeless by providing useful information and referral to social services.

#### 10B Police Officers

The Greater Union Square BID employs a 10B SFPD officer to provide a uniformed presence and provide the enforcement element of the Public Safety Program. A 10B SFPD officer is a regular uniformed SFPD officer who is assigned directly to and paid for by the district. The 10B SFPD officer has a direct communication link via radio to the CSAs, as well as to SFPD dispatch. Due to the expanded geographic area of the Greater Union Square BID a second 10B SFPD officer will be assigned to provide continuous and adequate coverage for the larger district especially in the evening hours. The 10B SFPD officers will patrol the entire Greater Union Square BID area and respond to calls from within the district boundaries.

#### **Community Relations**

##### Objectives and Strategy

The Greater Union Square BID’s effectiveness in forming and maintaining relationships with the community is critical to the district’s success. A strong community relations effort emphasizes the importance of positive relationships within the greater Union Square area in an atmosphere of maximum community involvement.

##### Communication and Public Relations

The Greater Union Square BID’s executive director plays a central communications role and spends considerable time addressing community meetings, working one-on-one as a problem solver, and in speaking to the media in representing the Greater Union Square BID and its objectives for community betterment.

Regular activities and initiatives that support this task include:

- Newsletter provided regularly to merchants, property owners, and members of the media.
- Ongoing media relations.
- Coordination services among merchants and the public sector.
- Utilization of neighborhood social services to help problem areas.
- Greater Union Square BID website with useful and important links.
- Regular attendance at community and City meetings.
- Participation on committees of neighborhood organizations.
- Issuing press releases on the Greater Union Square BID’s programs and the positive results attributable to them.

## **New and Expanded Programs**

---

### Marketing

The Greater Union Square BID Board has concluded that new programs that will improve the district's image, appeal, and visibility will contribute towards enhancing the value of the property and businesses within the district. The marketing programs will be seen as especially useful and necessary at a time of serious economic downturn, as is currently the case. Marketing programs will promote the Greater Union Square BID and its properties and businesses through special targeted programs and initiatives.

The first initiative includes the production of a map and guide to Union Square that will be distributed by the CSAs as well as the Convention and Visitors bureau, hotels and other venues in the area. The map will call out important retail shops, hotels, theaters, restaurants and other points of interest throughout the Greater Union Square BID.

The second initiative provides for the creation and production of special events that draw visitors into the area as a means of additional exposure. Some of the successful events in the past have included the Cable Car Bell Ringing, SF Jazz Summerfest, Crab Cracking at Union Square, Holiday Ice Rink in Union Square, Macy's Flower Show Sale and the Holiday Stroll.

Another element of the marketing program includes a branding campaign such as placing plaques with the Greater Union Square BID logo on the City garbage receptacles throughout the district as well as on the maintenance carts of the maintenance workers. The branding campaign will be effective in creating a unique look and identity that ties the area together through thematic elements such as color, icons, and logos.

Other marketing initiatives can be undertaken as appropriate and as budget resources allow.

### Advocacy

The purpose of advocacy is to promote the Greater Union Square BID as a clean, safe, and vibrant area. This goes well beyond the marketing programs that create image and visibility and, in fact, advocate for services and resources that increase the area's perceptions as a friendly, clean, and exciting place for dining, shopping, entertainment, and investing in business opportunities and properties. The advocacy is intended to support business growth and enhance property values which can be especially advantageous in a recessionary economic environment.

### Beautification

Adding beauty to a community can add value and often consists of simple touches. One of the most effective programs is to provide and maintain hanging flower baskets at key intersections and entry points of the Greater Union Square BID. This has been effective in other various neighborhoods around the City. It adds a special liveliness through colorful seasonal plant materials and acts as a thematic element that defines a community and visibly ties it together. Seasonal decorations are another option for adding to the look and theme of the area.

### Streetscape Improvements

The Greater Union Square BID has the ability to serve as an effective vehicle for planning and implementing a program of capital improvements that can become considerable community assets. For example, the design and installation of way finding signage is an effective means of improving access and promoting the locations of district businesses and amenities.

## **Baseline Services**

---

The City currently provides a baseline level of services to the Greater Union Square BID. The services and activities funded by the Greater Union Square BID annual assessment revenue are in addition to those services already provided by the City.

A list of baseline services provided by the City, is included as part of the Greater Union Square Business Improvement District Management Plan.

## **ESTIMATED COSTS**

### **Total Annual Amount Proposed to be Expended**

---

Beginning Fiscal Year 2009/10, the estimated budget for the Greater Union Square BID is as follows:

<b>Budget Description</b>	<b>Fiscal Year 2009/10 Estimated Cost</b>
Clean and Safe Services	\$1,995,400
Marketing, Advocacy, Beautification, Streetscape Improvements	291,675
Management and Operations	460,488
Contingency and Reserves	323,328
<b>Total Estimated Costs</b>	<b>\$3,070,891</b>
Other Funding	(30,830)
<b>Total Estimated Costs to be Assessed:</b>	<b>\$3,040,061</b>

The Fiscal Year 2009/10 total estimated costs can be separated into two separate categories; Clean and Safe and Marketing and Advocacy. Management and operations and contingency and reserves are spread proportionally based upon each of the categories percentage of the total budget. The Marketing and Advocacy portion of the budget (\$291,675) accounts for approximately 10% of the total budget. Therefore, 10% of the management and operations and contingency and reserves budget line items have been allocated to Marketing and Advocacy. The remaining management and operations and contingency and reserves budget amounts are tied to the Clean and Safe category. Clean and Safe comprises approximately 88% or \$2,710,691 and Marketing and Advocacy accounts for approximately 12% or \$360,200 of the total Fiscal Year 2009/10 budget.

It has been determined that one percent (1%) of the Clean and Safe services provide a general benefit to the public; see the "Basis of Assessment" section of this report for further information. The general benefits provided will not be assessed to properties within the Greater Union Square BID, but will be supplemented from other sources. The funds needed (\$30,830) to cover the costs associated with the general benefits received will be contributed through grants, donations, fees for service contracts, and fundraising events.

The total maximum estimated cost shall be subject to an annual increase beginning July 1, 2010. The maximum estimated cost increase will reflect the annual change in the Consumer Price Index for All Urban Consumers in San Francisco-Oakland-San Jose ("CPI"), or three percent (3%), whichever is less. However, in no event shall the annual increase be less than zero. The annual CPI change will be calculated based upon the February figure provided each year.

Based upon a maximum annual increase of 3%, beginning July 1, 2010, to the total annual budget each year, the estimated total annual budgets for the next nine years are as follows:

<b>Fiscal Year</b>	<b>Greater Union Square BID Annual Budget(1)</b>	<b>Maximum Annual Assessment Budget(2)</b>
2009/10	\$3,070,891	\$3,040,061
2010/11	3,163,017	3,131,263
2011/12	3,257,908	3,225,201
2012/13	3,355,645	3,321,957
2013/14	3,456,314	3,421,616
2014/15	3,560,003	3,524,264
2015/16	3,666,803	3,629,992
2016/17	3,776,807	3,738,892
2017/18	3,890,111	3,851,059
2018/19	4,006,814	3,966,591

- (1) The Greater Union Square BID annual budget includes the general benefit contribution from grants, donations, fees for service contracts, and fundraising events.
- (2) The maximum total amount that can be assessed to property owners within the Greater Union Square BID each Fiscal Year.

## ***METHOD OF ASSESSMENT***

### **Statutory Considerations**

---

Proposition 218, the “Right to Vote on Taxes Act” was approved by California voters in 1996, which added Articles XIII C and XIII D to the California State Constitution. The primary results of Proposition 218 were stricter definitions of assessments, special taxes, fees, and charges, and a general mandate for some type of voter approval for any new or increased tax, assessment, or property-related fee. The Proposition 218 Omnibus Implementation Act (the “Implementation Act”) was approved July 1, 1997. The Implementation Act provided for procedures throughout the notice, protest and hearing process. It should be noted that this report has been prepared to be consistent with current practices and the California State Constitution. In the meantime, there are a number of pending court cases related to special assessments that could alter current practices and procedures.

#### **Special Benefit**

Pursuant to Proposition 218, or more specifically Article XIII D §2(i) “Special benefit means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute special benefit.”

All parcels that have special benefit conferred upon them as a result of the services and activities provided shall be identified, and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire cost of the services and activities.

In accordance with Article XIII D §4(a) “No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable, and an agency shall separate the general benefits from the special benefits conferred on a parcel.”

#### **General Benefit**

Proposition 218 requires that any local agency proposing to increase or impose a special assessment to “separate the general benefits from the special benefits conferred on a parcel.” The rationale for separating special and general benefits is to ensure that the property owners are not charged with an assessment that pays for general benefits. Thus, a local agency carrying out projects or services that provide both special and general benefits may levy an assessment to pay for the special benefits but must acquire separate funding to pay for those general benefits.

General benefit is an overall and similar benefit to the public at large resulting from the services and activities to be provided by the assessments levied. All of the services and activities more fully presented in the “Description of Services and Activities” section of this report are provided within the Greater Union Square BID boundaries only. There will be no services or activities provided outside of the boundaries.

## Definitions

---

"Acre" or "Acreage" - The land area as shown on the Assessor's Parcel Map or in the Assessor's Data for each Assessor's Parcel. In the event that the Assessor's Parcel Map or Assessor's Data shows no Acreage, the Acreage for any Assessor's Parcel shall be determined by the District Administrator based upon the applicable final map or Assessor's Parcel Map.

"Administrator" - An official of the City, Board, or designee or agent or consultant thereof, responsible for determining the annual assessment amount and providing for the levy and collection of assessments each Fiscal Year.

"Assessor's Data" - Acreage or other Assessor's Parcel information contained in the records of the County Assessor.

"Assessor's Parcel" - A lot or parcel of land designated on an Assessor's Parcel Map with an assigned Assessor's Parcel number within the boundaries of the District.

"Assessor's Parcel Map" - An official map of the Assessor of the County designating Assessor's Parcels by Assessor's Parcel number.

"Building Square Area" - The total structure square footage as shown in the Assessor's Data for each Assessor's Parcel.

"Category 1 Property" - Developed Non-Residential Property with Building Square Area less than 2,000 square feet as shown on County Assessor's Data.

"Category 2 Property" - Developed Non-Residential Property with Building Square Area greater than or equal to 2,000 square feet and less than 5,000 square feet as shown on County Assessor's Data.

"Category 3 Property" - Developed Non-Residential Property with Building Square Area greater than or equal to 5,000 square feet and less than 10,000 square feet as shown on County Assessor's Data.

"Category 4 Property" - Developed Non-Residential Property with Building Square Area greater than or equal to 10,000 square feet and less than 30,000 square feet as shown on County Assessor's Data.

"Category 5 Property" - Developed Non-Residential Property with Building Square Area greater than or equal to 30,000 square feet and less than 100,000 square feet as shown on County Assessor's Data.

"Category 6 Property" - Developed Non-Residential Property with Building Square Area greater than or equal to 100,000 square feet as shown on County Assessor's Data.

"County" - The County of San Francisco, State of California.

"Developed" - An Assessor's Parcel for which a building permit was issued on or before June 1 of the prior Fiscal Year.

"Fiscal Year" - The period commencing on July 1 of any calendar year and ending June 30 of the following calendar year.

"Hallidie Plaza Parcels" - Identified as Assessor's Parcel numbers 0341-013 and 0341-014. However, if the aforementioned Assessor's Parcels are renumbered, consolidated, and/or then subdivided, the Hallidie Plaza Parcels shall be the subsequent Assessor's Parcels.

“Linear Street Foot(age)” - The street level frontage of the Assessor’s Parcel to streets within the Greater Union Square BID. The street frontage will be based upon information as shown on the Assessor’s Parcel Map.

“Lot Size” or “Lot Square Foot(age)” - The Assessor’s Parcel Acreage multiplied by 43,560.

“Non-Residential Property” – Property within the boundaries of the Greater Union Square BID that cannot be classified as either Public or Residential Property.

“Public Property” - Property within the boundaries of the Greater Union Square BID owned by, irrevocably offered or dedicated to, or for which an easement for purposes of public or private road right-of-way has been granted to the federal government, the State of California, the County, the City, or any local government or other public agency, provided that any property leased by a public agency to a private entity and subject to the assessment under the 1994 Act shall be assessed and classified according to its use.

“Residential Property” – Assessor’s Parcels within the boundaries of the Greater Union Square BID used for residential purposes as shown on County Assessor’s Data.

“Single Use Entity” – Two or more Assessor’s Parcels within the boundaries of the Greater Union Square BID where: a) the buildings located on each of the Assessor’s Parcel are used for the operations of the same business entity, or b) there is one building situated on adjoining Assessor’s Parcels. In the case of b) the County will have assigned the same Building Square Area to each of the Assessor’s Parcels affected.

## **Basis of Assessment**

---

The benefits provided to real property within the Greater Union Square BID relate to the programs carried out by the Greater Union Square BID more fully described in the “Description of the Services and Activities” section of this Engineer’s Report and also within the Greater Union Square Business Improvement District Management Plan.

Assessor’s Parcels within the Greater Union Square BID display a non-standard and historical parcel configuration. In addition, the unique usage (combined retail, restaurant, commercial, residential, storage, etc.) of each parcel comes in a wide variety of building sizes, shapes and formats. These configurations make it difficult to use a standardized formulaic approach in assigning special benefit and determining the proportional assessment. However, the Cleaning and Maintenance Program and the Public Safety Program provide special benefit to all Assessor’s Parcels within the Greater Union Square BID. Therefore, each Assessor’s Parcel is assessed for their proportional special benefit of the Cleaning and Maintenance Program and the Public Safety Program based upon the Linear Street Footage assigned.

The Linear Street Footage for each Assessor’s Parcel is obtained and calculated from County Assessor Parcel Maps and is to be confirmed by the parcel owner as this information will be included in the assessment notices to be provided to each parcel owner. Assessor’s Parcels that do not have direct street frontage, as a result of being located on a floor other than the ground floor, will be assigned Linear Street Footage based upon their portion of the entire building’s assigned Linear Street Footage and land use.

The total Linear Street Footage for the Greater Union Square BID, excluding the Hallidie Plaza Parcels is 37,187 based upon 2008/09 County secured roll information. The Assessment Roll in Appendix B provides a breakdown of the Linear Street Footage for each Assessor’s Parcel.

The Hallidie Plaza Parcels will receive service from the Cleaning and Maintenance Program and the Public Safety Program throughout the area of each Assessor’s Parcel and not just along the frontage

of the Assessor's Parcel. Therefore, in order to proportionally assess the additional services and activities, the clean and safe assessment is based upon each Hallidie Plaza Parcel's individual Lot Size.

Although the services and activities provided within the Greater Union Square BID will incorporate public streets and rights of way, it is clear that the services and activities provided are directed towards and necessary for the enhancement of the business environment and opportunities of the properties within the Greater Union Square BID. The services and activities are not provided to any properties located outside of the Greater Union Square BID boundaries. However, public access, use or availability of these services and activities by others has been considered. The assessment revenue that is collected from the properties within the Greater Union Square BID is used to pay for services and activities that are directed towards enhancing the business environment and opportunities of the properties; the general benefits to the public at large are assumed to be minimal. An extensive San Francisco - Union Square Visitor Survey of over 400 individuals was conducted by David Binder Research during April 23-26, 2009 to corroborate this assumption. A copy of the survey can be found under Appendix C of this report. This survey yielded the result that less than one percent (1%) of the individuals were merely walking or strolling and not engaged with private property activities in visiting the Greater Union Square area. Therefore, one percent (1%) of the estimated budget associated with clean and safe services has been identified as general benefit and will not be assessed to properties within the Greater Union Square BID. In addition, the City will continue to provide general baseline services within the Greater Union Square BID.

Marketing and advocacy services are essential for encouraging visitors to come to the Greater Union Square BID area to shop, dine, visit the theater and to stay overnight in the hotels. Increasing this market awareness includes making the Union Square area more easily accessible through maps and signage, creating a greater draw of visitors through special events and targeted marketing promotions, and positioning the area more competitively. Based on these types of activities provided, it is determined that only Non-Residential Property will receive a special benefit. Non-Residential Property will be assessed their proportional share of the estimated budget related to marketing, advocacy, beautification, and streetscape improvements.

The Building Square Area for a Non-Residential Property serves as the relevant factor in apportioning the cost of these activities, since the larger the size of the building, the proportionally greater benefit from the marketing campaign will be received. Large buildings that are used for retail purposes will receive a greater level of benefit from the costs associated with marketing and advocacy than a smaller office condo. Therefore, developed Non-Residential Property is assessed an annual flat amount per Assessor's Parcel based upon the assigned parcel category. Each Developed Non-Residential Property is classified as either; Category 1, 2, 3, 4, 5, or 6 Property, based upon Building Square Area.

Non-residential parcels where the primary structure use is utilized as a parking garage will be charged their category rate up to a maximum of Category 3 for Marketing and Advocacy. Non-residential garages that contain both retail services and parking services will be assigned to a higher category if the Building Square Area for the retail component exceeds the Category 3 maximum of 10,000 square feet.

Due to parcel and/or business location configuration issues, a Single Use Entity status provides an exception to the Non-Residential Property category assignment for each Assessor's Parcel involved. An approved Single Use Entity will only be subject to the marketing and advocacy assessment up to their category (based upon the combined Building Square Area of each associated Assessor's Parcel), with the assigned category charge being spread evenly to each of the existing Single Use Entity Assessor's parcels. Any requests for Single Use Entity classification are to be made by petition to the BID Board. The BID Board retains full authority to either grant or deny Single Use Entity requests.

## Assessment Calculation

---

Each Assessor's Parcel's Fiscal Year 2009/10 assessment is calculated below:

Property Type	Clean and Safe (per Linear Street Foot)	Marketing and Advocacy (per Assessor's Parcel)
Category 1 Property	\$70.58	\$75.00
Category 2 Property	70.58	150.00
Category 3 Property	70.58	500.00
Category 4 Property	70.58	1,000.00
Category 5 Property	70.58	1,250.00
Category 6 Property	70.58	5,000.00
Residential Property	70.58	0.00
Public Property	70.58	0.00
Hallidie Plaza Parcels(1)	3.55	0.00

(1) The Hallidie Plaza Parcels are assessed per Lot Square Footage.

### All Assessor's Parcel's except Hallidie Plaza Parcels:

$$\text{Assessor's Parcel Annual Assessment} = \text{Clean and Safe Assessment} \times \text{Linear Street Footage} + \text{Marketing and Advocacy Amount}$$

### Hallidie Plaza Parcels:

$$\text{Hallidie Plaza Parcel Annual Assessment} = \text{Clean and Safe Assessment} \times \text{Lot Square Footage}$$

### Fiscal Year 2009/10 Maximum Annual Assessments:

The Fiscal Year 2009/10 maximum annual assessment rates are as follows:

- Clean and Safe:
  - Per Linear Street Foot: \$70.58
  - Per Lot Square Foot: \$3.55
- Marketing, Advocacy, Beautification and Streetscape Improvements:
  - Category 1 Property: \$75.00
  - Category 2 Property: \$150.00

- Category 3 Property: \$500.00
- Category 4 Property: \$1,000.00
- Category 5 Property: \$1,250.00
- Category 6 Property: \$5,000.00

### Maximum Annual Assessment Increases

Beginning July 1, 2010, all maximum assessment rates are subject to an annual increase. The maximum assessment rates shall be increased each Fiscal Year to reflect the annual change in the Consumer Price Index for All Urban Consumers in San Francisco-Oakland-San Jose ("CPI"), or three percent (3%), whichever is less. However, in no event shall the annual increase be less than zero. The annual CPI change will be calculated based upon the February figure provided each year.

The maximum increase of three percent (3%) to the maximum assessment amount for the next 10 years is as follows:

Fiscal Year	Clean and Safe (per Linear Street Foot)	Clean and Safe (per Lot Square Foot)	Marketing and Advocacy					
			Category 1 Property	Category 2 Property	Category 3 Property	Category 4 Property	Category 5 Property	Category 6 Property
2009/10	\$70.58	\$3.55	\$75.00	\$150.00	\$500.00	\$1,000.00	\$1,250.00	\$5,000.00
2010/11	72.70	3.66	77.25	154.50	515.00	1,030.00	1,287.50	5,150.00
2011/12	74.88	3.77	79.57	159.14	530.45	1,060.90	1,326.13	5,304.50
2012/13	77.12	3.88	81.95	163.91	546.36	1,092.73	1,365.91	5,463.64
2013/14	79.44	4.00	84.41	168.83	562.75	1,125.51	1,406.89	5,627.54
2014/15	81.82	4.12	86.95	173.89	579.64	1,159.27	1,449.09	5,796.37
2015/16	84.28	4.24	89.55	179.11	597.03	1,194.05	1,492.57	5,970.26
2016/17	86.80	4.37	92.24	184.48	614.94	1,229.87	1,537.34	6,149.37
2017/18	89.41	4.50	95.01	190.02	633.39	1,266.77	1,583.46	6,333.85
2018/19	92.09	4.63	97.86	195.72	652.39	1,304.77	1,630.97	6,523.87

Regardless of the assessment amount actually levied each year (assessments may be levied at less than the maximum assessment rate), the maximum allowable assessment rates will increase, at a minimum, as described above. Any increase in the actual amount of the assessment levied, as long as it does not exceed the maximum assessment for that Fiscal Year, will not be considered an increase of the assessment as defined by Proposition 218.

### Time and Manner of Collecting Assessments

The Greater Union Square BID assessments will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that the Greater Union Square BID may collect the annual assessments at a different time or in a different manner if necessary to meet its financial obligations. Delinquent assessments may be collected through foreclosure or any other available method.

## **Assessment Roll**

---

A listing of the Assessor's Parcels, including the Assessor's Parcel number, property owner, site address, Linear Street or Lot Square Footage, Building Square Area, and land use classification, subject to the proposed Great Union Square BID annual assessment can be found under Appendix B of this report.

## **Resolution of Disputes**

---

The Greater Union Square BID was formed after careful research and is based upon sources deemed to be reliable. If a property owner thinks that the assessment has been calculated or applied in error, he or she must contact the City as soon as possible, but in any case within one year from the receipt of the tax bill. The City or its designee shall review the application of the method of assessment and respond to the property owner. If the property owner is not satisfied with the response, then he or she shall request a final decision from the Board of Supervisors of the City. Their judgment will be considered final in any interpretations or discrepancies. In addition, the Board of Supervisors may pass a resolution clarifying any ambiguities or issues with regard to the Greater Union Square BID and its application to parcels.

## **Disestablishment**

---

Pursuant to the 1994 Act, where there is no outstanding indebtedness, the Greater Union Square BID may be disestablished by resolution of the Board of Supervisors. This may occur if the Board of Supervisors finds that funds have been improperly used or if the assessed property owners request disestablishment. There will be a thirty day window every year beginning on the one-year anniversary of the establishment of the Greater Union Square BID, in which property owners may petition to disestablish the Greater Union Square BID. If the owners of real property who pay 50% or more of the assessments levied submit a written petition to disestablish, the Board of Supervisors will do so. Any remaining revenues derived from the assessment or sale of assets purchased with the assessment will be returned to the owners of the property proportionate to the amount that each property owner paid.

Re: Union Square Business Improvement District Survey

---

David Binder Research conducted an intercept survey in the Union Square Business District for the purpose of gaining insight into visitors' purchasing behavior. The survey, which took place from April 23-26, included 441 participants, giving it a margin of error of 4.7%. The survey was conducted throughout the day and in locations distributed throughout the district, and every effort was made to ensure that the research represented an unbiased cross-section of all types of people.

The first part of the survey inquired about the visitors' likelihood to participate in a variety of activities. For each activity, they were asked "how likely is it that you will do that activity today, or at ANY point in the future while in the Union Square area?" The following table lists the activities in order of most common to least common:

Activity	Very Likely	Somewhat Likely	Not At All Likely
Strolling or walking around	87%	10%	3%
Eating or drinking at a restaurant, café, or bar	70%	21%	9%
Shopping	61%	24%	15%
Staying at a hotel	30%	13%	57%
Riding the cable car	28%	27%	45%
Conducting professional business like visiting a doctor, real estate agent, or accountant	21%	16%	63%
Going to a show	19%	32%	49%
Conducting personal business like visiting a hair salon, dry cleaners, or nail salon	19%	24%	57%

Three of the eight activities – strolling, eating or drinking, and shopping – received responses of "very likely" from at least 61% of respondents.

Of the 441 people surveyed, three people responded that it was "not at all likely" that they would participate in any of the listed activities other than strolling. Another person responded that it was "not at all likely" that he/she would participate in any of the listed activities, including strolling. Thus, we estimate that about 1%

(4/441) of people who visit the Union Square Area has no intention of participating in any commercial activity while in the area.

In Union Square	Percent
Intends to engage in commercial activity at some point	99
Has no intention of ever engaging in commercial activity	1

The second part of the survey focused on the importance of cleanliness and safety to visitors of the Union Square area. The following table lists the responses among all visitors, and also among the 1% of visitors who are not at all likely to participate in any commercial activity in the Union Square area:

	Among all respondents (n=441)	Among the 1% who don't engage in commercial activity (n=4)
Very important	69%	50%
Somewhat important	23%	25%
Just slightly important	5%	0%
Not at all important	3%	25%

Among all respondents, 92% consider the cleanliness and safety of Union Square either somewhat or very important, with 69% feeling that it is very important. Three in four of those who don't intend to make purchases in the area still consider the cleanliness and safety of Union Square either somewhat or very important, with 50% feeling that it is very important.

# San Francisco—Union Square

**FINAL RESULTS: Union Square Business Improvement District Survey**  
**SAMPLE SIZE=441; Margin of Error=4.7%**  
**INTERVIEW DATES: April 23-26, 2009**

Hello, my name is \_\_\_\_\_. I work for a public opinion research firm in San Francisco conducting a study of visitors to the Union Square area. We would like to ask you some questions that will take just a couple minutes.

I'm just going to read a list of activities. For each I read, please tell me how likely you think it is that you will do that activity today, or at ANY point in the future, while in the Union Square area?

	<b>Very Likely</b>	<b>Somewhat Likely</b>	<b>Not At All Likely</b>
1. Eating or drinking at a restaurant, café, or bar	70	21	9
2. Shopping	61	24	15
3. Going to a show	19	32	49
4. Staying at a hotel	30	13	57
5. Strolling or walking around	87	10	3
6. Conducting professional business like visiting a doctor, real estate agent, or accountant	21	16	63
7. Conducting personal business like visiting a hair salon, dry cleaners, or nail salon	19	24	57
8. Riding the cable car	28	27	45

**Q1-8: Summary—**

Performed at least one non-strolling activity	99
Did not perform any non-strolling activities	1

**9. How important is the cleanliness and safety of the Union Square area in your decision to walk or stroll there.**

Very important	69
Somewhat important	23
Just slightly important	5
Not at all important	3
